

presentación

25 años de dedicación exclusiva avalan nuestra presencia en el mundo de la "puerta de madera".

A lo largo de estos años, aún manteniendo nuestra vocación artesanal, hemos incorporado puntualmente la más avanzada tecnología para la fabricación de nuestros productos.

Nuestra ambición de dar el más completo servicio, nos ha estimulado en la ampliación de nuestras instalaciones con la incorporación de los medios más actualizados para la realización en línea de producción de "mecanizado" y "barnizado" de forma automática.

Todo este esfuerzo nos permite ofrecer nuestros productos "personalizados" según las exigencias y necesidades de nuestros clientes.

Su satisfacción es nuestra meta.

presentation

25 years of exclusive dedication, support our presence in the "door of wood" world

Throughout these years, we have incorporated the most advanced technology for the manufacture of our products even with regard to our handcrafted lines.

Our ambition of giving the most complete service has pushed us to extend our facilities to the fullest and to incorporate the most advanced methods in the automatically production of "drawered" and varnished products

All this effort, allows us to create the best in bespoke pieces according to our clients needs and requirements

Our goal is your satisfaction

apresentação

25 anos de dedicação exclusiva marcam a nossa presença no mundo da "porta da madeira".

Ao longo destes anos, embora mantendo a nossa vocação artesanal, juntamos-lhe pontualmente a mais avançada tecnologia na fabricação dos nossos produtos.

A nossa ambição para dar o mais completo serviço levou-nos à ampliação das nossas instalações e à incorporação dos meios mais modernos para realizar a nossa linha de produção de "mecanizado" e "envernizamento" de forma automática.

Todo este esforço permite-nos oferecer os nossos produtos "personalizados" segundo as exigências e necessidades dos nossos clientes.

A sua satisfação é a nossa meta.
